

Thank you for purchasing with Tattered Stitch Embroideries! We are a brand new embroidery company and are very excited to be bringing you beautiful illustrations with thoughtful design when it comes to stitching out your patterns.

Included with your purchase

A color PDF file of the design with a color chart indicating Madeira Rayon colors, 40 weight and their placement within the design.

Colors

For the majority of our designs, the use of color within the design is for reference only. Please feel free to use whatever colors that will best match your ideas and projects.

Quality

We work hard to figure out all of the kinks before releasing any design to our website. Each design is stitched out multiple times using 100% cotton material with a medium cut-away stabilizer. Use of alternative weight fabrics and or stabilizers may not guarantee a perfect sew-out. We do recommend that you do a sample test on similar materials before using on final product.

Copyright

The Tattered Stitch holds the copyright to all embroidery designs featured on this website. These digitized embroidery designs are protected under International Copyright Law and Treaties. These digitized embroidery patterns are not to be re-sold, duplicated or shared in any way. You may not add to, change or delete parts of our designs and then call them your own.

Please Note

We do not recommend that you scale any of our images up or down. We recommend that you purchase the size pattern that will best fit your project. Scaling the image up or down will degrade the integrity of the file and your projects may not stitch properly.

Once again, thank you for your purchase! We hope you enjoy the pattern selected. Please feel free to contact us at info@embroiderys.com if you have any questions or suggestions.

And remember... Don't forget to send us an image of your finished project. We would love to feature it in our inspirational gallery!

Thanks! And Happy Stitching
